

*Automated*

# **Iontophoretic Drug Delivery**

*Test System*

**Sample Drug Delivery and Monitor Electrical Characteristics of Iontophoretic Drug Delivery Systems**

## *Accurate*

Highest quality liquid handling, electrical monitoring and control systems

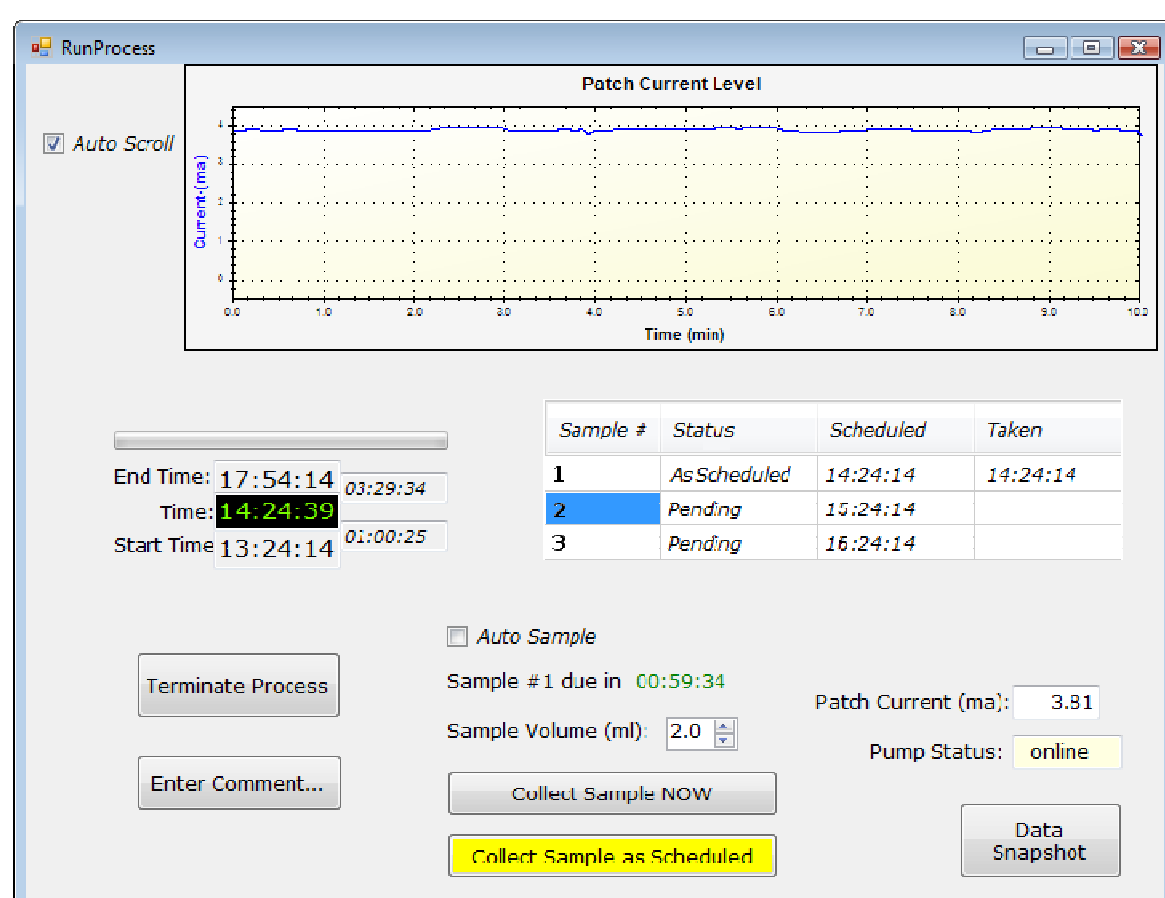

## *Versatile*

Modular design supports a wide variety of devices with minimal customization

## *Dependable*

Another InnovaSystems' Proven Quality Engineering Solution

## *Easily Create and Modify Test Methods*

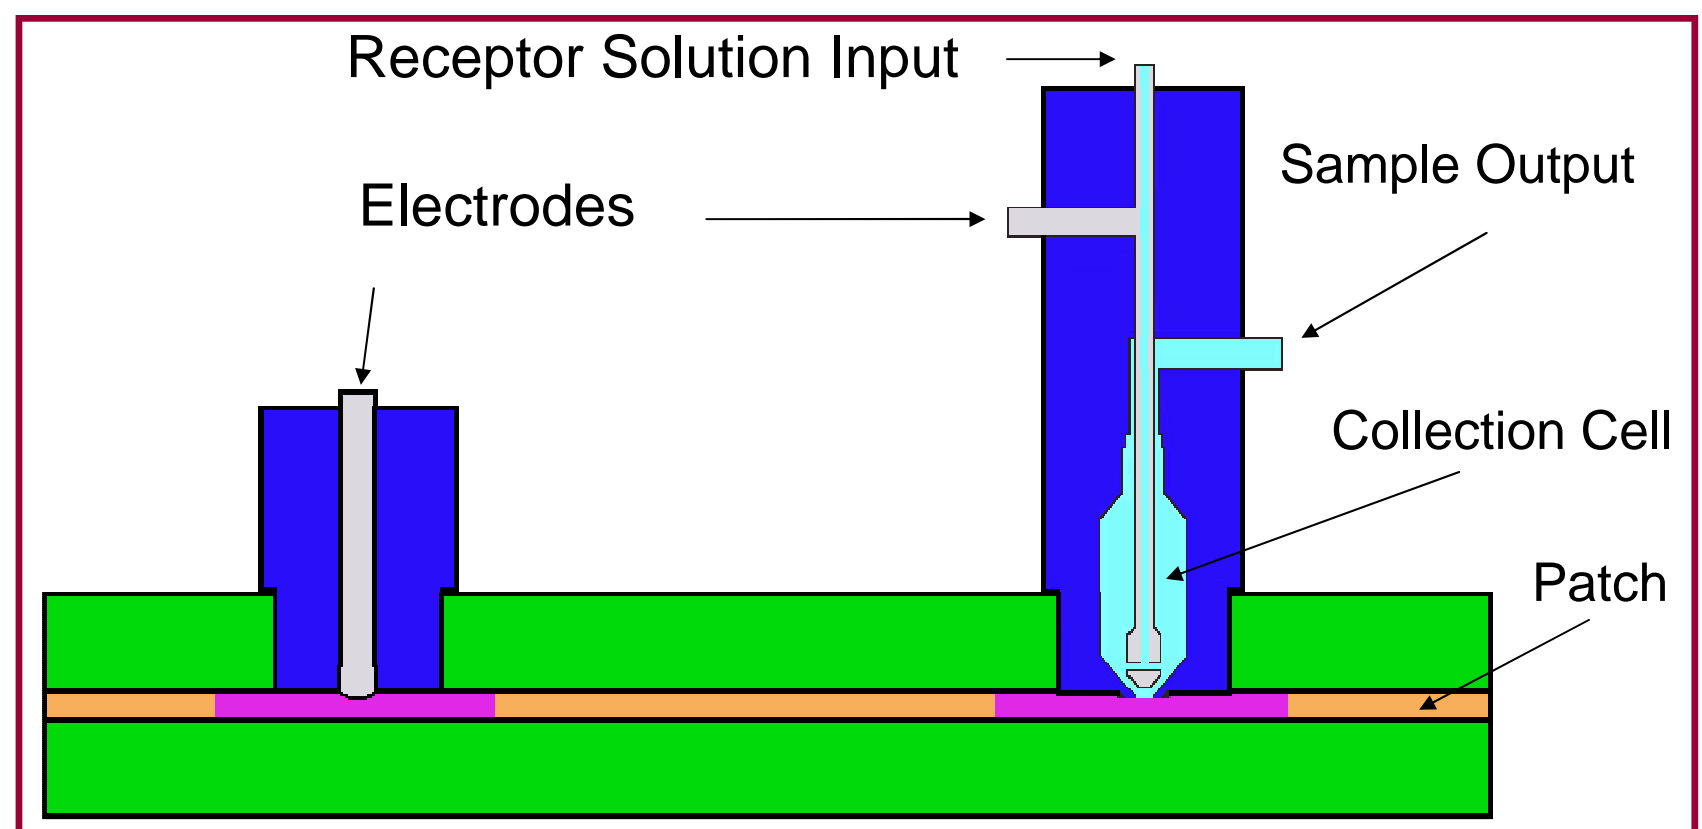

## *Current Monitoring and Recording*

- ✓ Real-Time Graphical and Numeric Display
- ✓ User Definable Recording Intervals  
High, Low and Average for each Interval
- ✓ Configurable Resistance / Impedance

## *Assay Collection*

- ✓ Configurable Volume, Interval, and Flow Rate
- ✓ Scheduled or Manual Sample Collection to HPLC Vial
- ✓ Full Data Logging

## **Optional:**

Charting Tools  
MS Excel Data Import Tools
